

# How does trust affect your experience of the Internet?

Are you **aged 16-25 years old**?

Do you regularly use the Internet to search for information, make bookings, or buy products?

If **YES**, we invite **YOU** to a workshop to explore your views and experiences of **TRUST** when you are online

**Tuesday 21<sup>st</sup> May at 1pm**

The 'Blue Room' Nottingham Community and Voluntary Services, 7 Mansfield Road, NG1 3FB

or

**Wednesday 22<sup>nd</sup> May at 1pm**

Urban Rooms, 38 Carrington Street, NG1 7FG

Workshops will last around **3 hours** and you will be thanked for your time with a **£20** high street voucher.

**Booking essential – see other side**

This activity is part of project which aims to gain a better understanding of what makes online platforms and services trustable and explores new technological opportunities to enhance/re-build user trust.

The session involves interactive activities and friendly discussion.

### What else will you gain from taking part?

- Develop your skills in team work, debate, and communication
- Increase your confidence and critical thinking when making decisions online
- Share your views and suggestions for change in relation to trust when using the Internet
- A valuable experience to add to your CV, job applications, and personal statements

Refreshments will be provided.
